

# COMMERCIAL COOKERY COURSE

Inner City Ministries proudly presents a basic commercial cookery course offered in English (with Hindi and Nepali), free of charge to those wishing to find employment in the catering industry.

## Course Objectives

- To provide comprehensive training in commercial kitchen operations through theory and practical lessons in food preparation and production.
- To assist successful trainees in finding work experience placements and fulltime employment in the catering industry

## Course Details

- The course provides training in food preparation and basic commercial cooking in Indian and Western food.
- The course is full time for 3 months (total 360 hours) - Monday to Friday 10am to 5pm with on-site work experience and introduction to employment in catering.
- The course is conducted in our commercial kitchen facility in Man Yuen Street, Yau Ma Tei.
- The course will be conducted in English and supplemented in Hindi and Nepali
- Training will be conducted by qualified trainer chefs of Hospitality Industry Trade Development Centre and the Employees Retraining Board who are members of staff of Inner City Ministries Ltd

## Entry requirement

- The course is open to anyone coming from South Asian Ethnic Minorities in Hong Kong who has the right to work in Hong Kong or who has UN refugee status.
- Applicants should have a strong desire to gain regular employment in the catering industry
- All applicants will be interviewed by the instructors for places on the course
